NWSEO Elections 2011 – Pacific Region Delegates

A delegate holds one vote for each NWSEO member in the branch or branches represented. On the lists below, you will see the number of votes available at the branch the delegate represents. Please keep in mind that the delegate may not cast all of the available votes because any NWSEO member who attends the National NWSEO convention is entitled to cast their own vote (thus reducing the number of votes that the delegate will cast). **These preliminary results are subject to the NWSEO members in attendance at the NWSEO Convention.**

This page will be updated each week to show the most current information.
