(February 8, 2018) The New Year often inspires us to make healthy resolutions and plans to stay in shape. The NWSEO negotiated National Weather Service Health Club and Wellness Services Fees Reimbursement Program makes it easier to also keep your health club costs low. Through the program, which is open to all NWS employees, you may receive up to \$300 per year as a health club membership dues rebate. The rebate also covers certain weight loss and smoking cessation programs. In order to be eligible for the programs, it is important that the correct forms are submitted before the due dates.

Form A must be submitted between January 1, 2018 and February 28, 2018 to receive benefits for 2018.

Form B must be submitted between January 1, 2018 and February 28, 2018 for reimbursement for the year 2017.
