### **NWSEO REPRESENTED EMPLOYEES AT AOC FINALLY GET A CONTRACT**

On January 7th, after many years of negotiations, the Aircraft Operations Center in Tampa, Florida celebrated the implementation of the new labor/management contract. This is a positive step in the establishment of a healthier work environment for all employees at AOC.

“There are many people to thank for their hard work and sacrifice in getting this contract including Richard Hirn, Paul Greaves and Marty Mayeaux but a special thanks is in order for Richard McNamara and Dan Lino” stated NWSEO President Dan Sobien.

Richard McNamara and Dan Lino are the previous Steward and Vice Steward for the NOAA AOC and were the two individuals most instrumental in organizing the unit.
