

JUNE 2005

HOUSE VOTES TO CUT NOAA BUDGET BY \$50 MILLION

NWS MAY TAKE \$15 MILLION HIT

SEE IF YOUR CONGRESSMAN VOTED TO CUT YOUR JOB!

The House of Representatives this week voted to slash funding for NOAA by \$50 million – rejecting funding recommendations from the Science, State, Justice and Commerce Appropriations Subcommittee. Rep. Alan Mollahan, Ranking Democrat on the Subcommittee, estimates that this may result in the loss of 100 jobs in NOAA and a reduction in NWS funding by \$15 million, if the funding reduction is spread evenly through NOAA line offices.

The reduction was proposed by Rep. Dreier (R-CA), in order to increase reimbursements to the State of California to offset the cost of incarcerating illegal immigrants. Two strong friends of NWSEO – Rep. Alan Mollohan (D. W.VA) and Rep. Vernon Ehlers (R.Michigan), who chairs the Environment, Technology and Standards Science Subcommittee – led the opposition to the Dreier amendment.

178 Republicans and 53 Democrats voted to cut NOAA funding; and 53 Republicans and 144 Democrats voted against the funding cut.

NWSEO intends to fight to have this funding restored by the Senate, which has begun consideration of the DOC FY '06 budget request.

Below is a list of who voted for the Dreier Amendment. The text of the debate over the Drier amendment can be found on our website. In addition, go to the Legislative Action Center to find text for an email to send to your Representative in order to let him/her know the impact of this vote. Later we will put up a message for you to send to your Senators in the hopes we can fix this matter.

FINAL VOTE RESULTS FOR ROLL CALL 250

(Republicans in roman; Democrats in *italic*; Independents underlined)
